I Wish I Didn't Love You So

I wish I didn't love you so My love for you Should have ended long ago

I wish I didn't need your kiss Why must your kiss Torture me as long as this

I might be smiling by now With some new tender friend Smiling by now With my heart on the mend

But when I try Something in my heart says no You're still there I wish I didn't love you so

I might be smiling by now With some new tender friend Smiling by now With my heart on the mend

But then I try Something in my heart says no You're still there I wish I didn't love you so I wish I didn't love you so k.d. lang
