

It's Me

k.d. lang

What you see on TV
All them sparkles it ain't me
I am givin' is what I can
What I can

Things that I may tell you
Honey, I ain't lyin', it ain't me
All this talkin' is how I feel
How I feel

I'm not asking for the world
Just wanna be an ordinary girl
I might not be all you want it's all you get, it's me
Might not be all you want but it's all you get, it's me

On them shiny pages
All that hairdo it ain't me
I am showin' just what I am
What I am

I'm not asking for the world
No I'm not an ordinary girl
I might not be all you want it's all you get, it's me
I might not be all you want it's all you get, it's me
