

## It's Me

k.d. lang

What you see on TV  
All them sparkles it ain't me  
I am givin' is what I can  
What I can

Things that I may tell you  
Honey, I ain't lyin', it ain't me  
All this talkin' is how I feel  
How I feel

I'm not asking for the world  
Just wanna be an ordinary girl  
I might not be all you want it's all you get, it's me  
Might not be all you want but it's all you get, it's me

On them shiny pages  
All that hairdo it ain't me  
I am showin' just what I am  
What I am

I'm not asking for the world  
No I'm not an ordinary girl  
I might not be all you want it's all you get, it's me  
I might not be all you want it's all you get, it's me
