

Like someone that hasn't any country  
Like a stranger visiting from Mars  
I went around alone, just like a rolling stone  
Until I read a message in the stars

It must have been moonglow, 'way up in the blue  
It must have been moonglow that led me straight to you  
I still hear you saying, "Dear one, hold me fast"  
And I start in praying, Oh Lord, please let this last  
We seemed to float right through the air  
Heavenly songs seemed to come from ev'rywhere  
And now when there's moonglow 'way up in the blue  
I always remember that moonglow gave me you

It must have been moonglow, 'way up in the blue  
It must have been moonglow that led me straight to you  
I still hear you saying, "Dear one, hold me fast"  
And I start in praying, Oh Lord, please let this last  
We seemed to float right through the air  
Heavenly songs seemed to come from ev'rywhere  
And now when there's moonglow 'way up in the blue  
I'll always remember, that moonglow gave me you
