

## Smoke Dreams

k.d. lang

Smoke dreams  
From smoke rings  
While a cigarette burns  
I keep yearning for you  
Through smoke dreams  
From smoke rings  
That old feeling returns  
Can't believe that we're through  
I try to pretend  
Our love has ended  
But my heart tells me no  
The dreams I resist  
Won't be dismissed  
Though I try to forget  
With each cigarette  
Still smoke rings  
Bring smoke dreams  
And although you are gone  
Our love story goes on
