

Sunday

k.d. lang

Sunday, Sunday
The one day I revere
Sunday, Sunday
Let no one interfere

Six days a week, waiting
I spend waiting to be spending
Sunday, Sunday
Let no one interfere

Six days a week, waiting
I spend waiting to be spending

Sunday afternoon
(Sunday afternoon)
Naked in your room
(Naked in your room)
Love is all consumed

Sunday, Sunday
Let no one interfere
When the world disappears
Let the world disappear
Let the world disappear
