Western Stars

Western stars light up the sky Hear the desert wind roll by Tonight, tonight

Western stars can break your heart They keep shinin' when we're apart Tonight, tonight

I watch, I wait How long will my heart ache Tonight, oh tonight I watch, I wait My heart is bound to break Tonight

Western stars light up the sky Tonight I'm alone to cry Tonight

I watch, I wait My heart is bound to break Tonight

Western stars light up the sky Hear the desert wind roll by Tonight, tonight Tonight, tonight
