

I'm Good Boo

K'Jon

Ocean man. yeah, only for the grown and sexy,
Up&Up, J'Oneal, The league of Extraordinary Gentlemen the hook comes
in

You're the only one who can make me feel this way
I normally don't get down but tonight I'm with my baby
Grown and sexy too, I just want to step with you
As long as I'm on the floor with you, I'm good boo
I'm good boo, I'm good boo, I'm good boo, I'm good boo

See my baby like to dance so we going out
and when it comes to romance thats what I'm all about
She be doing her thang, she's the life of the party
and i don't wont nobody dancing with my little hottie
We steppin after hours, yes sir she's my little flower
and I don't got to make it rain but its going to be a thunder shower
You're the only one that can make me feel this way baby
and I don't care what they say, as long as I'm with my baby.

You're the only one who can make me feel this way
I normally don't get down but tonight I'm with my baby
Grown and sexy too, I just want to step with you
As long as I'm on the floor with you, I'm good boo
I'm good boo, I'm good boo, I'm good boo, I'm good boo

I said excuse me miss but my name is K'Jon
may I have this dance with you, they playing our favorite song
She said silly boy,
I said girl you bring me joy, (You bring me Joy)
Yeah like Anita baker
looked her up and down and said mmmm I'll take her
ohhh this gone be a night we wont forget (we wont forget)
awww baby me and you we about to step
you're the only one that make me feel this way
I don't care what they say, sure as my name is K.J.O.N

You're the only one who can make me feel this way
I normally don't get down but tonight I'm with my baby
Grown and sexy too, I just want to step with you
As long as I'm on the floor with you, I'm good boo
I'm good boo, I'm good boo, I'm good boo, I'm good boo

You're the only one who can make me feel this way
I normally don't get down but tonight I'm with my baby
Grown and sexy too, I just want to step with you
As long as I'm on the floor with you, I'm good boo
I'm good boo, I'm good boo, I'm good boo, I'm good boo
