No Pressure

K'jon

Girl you got exactly what I need
If you say I'm your everything
And if we put it all together
Love can last forever
And thats not impossible
We just got to let it flow

I'm not looking for perfection
But i don't want no second guessing
If were gonna spend the rest of our lives
Ain't np pressure girl but lets make it right

Girl we gotta just keep on trying
Cause pressure can burst a pipe or make a diamond
I guess a little water ain't gone hurt us
We know all about rain and thunder
So if its coming down we run from it
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
We just gotta let it go

[Doggie:]
I stay crispy like a tater chip
Bout go spend it i den made the chips
I'm the boss on the block
Got a duck off spot
We ain't even gotta be where the haters is
Or we can hit the mall we and cop them furs
If it sound like me he's a mocking bird
We can ride to we die
Live it up to the sky
And the rain start pouring
We gone always stay dry

I'm not looking for perfection
But i don't want no second guessing
If were gonna spend the rest of our lives
Ain't np pressure girl but lets make it right

Girl we gotta just keep on trying
Cause pressure can burst a pipe or make a diamond
I guess a little water ain't gone hurt us
We know all about rain and thunder
So if its coming down we run from it
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
We just gotta let it go

If God is my witness girl
I'm a handle my business girl
And if we say we both our worlds
Then lets go get it
And if we put it together

Then it can last forever
Girl ain't no pressure
Then lets go

Girl we gotta just keep on trying
Cause pressure can burst a pipe or make a diamond
I guess a little water ain't gone hurt us
We know all about rain and thunder
So if its coming down we run from it
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
Lets go (lets go) and get it (lets get it)
Lets go (lets go)
