

Could Have Been

K Koke

It could have been this.
It could have been that.
It could have been this.
It could have been that.
It should have been this.
It should have been that.
It should have been this.
It should have been that.
It would have been this.
It would have been that.
It would have been this.
It would have been that.
It couldn't be this.
It couldn't be that.
It couldn't be this.
It couldn't be that.

This is true shit. This bitch had me too whipped.
So I had to turn the page & write a new script.
Running little games with her loose lips.
So I had to break away from that loose chick.
Like mwah, mwah holla at your boy.
Bitches in fast cars swallowing your boy.
Thinking I can't laugh I'm bubbling with joy.
I'm young, free & single. I'm not paranoid.
Uh no I don't feel annoyed.
(Nah) I don't feel stressed.
(Nah) I don't feel destroyed.
(No) I don't feel depressed.
(No) I don't feel a void.
I'm feeling like I'm blessed till I rest in the soil (yeah)
I can feel success like I invested in oil.
I ain't chasing a dragon like feins on a foil.
I'm chasing my dreams, queens heads in the royal.
I bet you wish you woulda, coulda, shoulda been loyal.

Uh, That could have been us.
That should have been me & you.
That would have been love.
That couldn't be me & you.
I couldn't see trust.
The sex was okay but you couldn't be enough.
The cars, the stars, that could have been us.
& now its all gone & I couldn't give a fuck.
You couldn't move on but I couldn't be stuck.
Get your groove on bitch. Go & get fucked..

Uh yeah keep moving like you don't care.
Coz I'ma keep moving, gone clear.
Who's losing? I think you got the wrong breh.
I want who bitch? I've already gone there.
I love music & bitches with long hair.
Pretty face, small waist, big bump-per.
Tight pum, firm boobs in her jump-per.
(& she can back it up & drop it) like a dump-ster.
(Back it up & drop it) I ain't done star.
Why you mad bitch? banging off my number.

Jump on your mans dick, leave the boy alone ma.
Before I tell your man you've been looking for a boner.
Little stray bitch, looking for an owner.
Don't sniff around here likkle pet, I don't own ya.
Huh, nah babes I don't owe ya.
I knew you was a hoe that's why I couldn't show love.

Uh That could have been us.
That should have been me & you.
That would have been love.
That couldn't be me & you.
I couldn't see trust.
The sex was okay but you couldn't be enough.
The cars, the stars, that could have been us.
& now its all gone & I couldn't give a fuck.
You couldn't move on but I couldn't be stuck.
Get your groove on bitch. Go & get fucked

It could have been this.
It could have been that.
It could have been this.
It could have been that.
It should have been this.
It should have been that.
It should have been this.
It should have been that.
It would have been this.
It would have been that.
It would have been this.
It would have been that.
It couldn't be this.
It couldn't be that.
It couldn't be this.
It couldn't be that (2x)
