

# Ain't You

K. Michelle

Hit me  
I know you're gone on that liquor, ain't you?

I know you're gone on that liquor, ain't you?  
Getting throwed with me, baby ain't you?  
Only one I be giving game to  
These dudes mad cause they really ain't you  
I know you're gone on that liquor, ain't you?  
Baby I ain't tryna change you  
Got you gone and I feel the same too  
These dudes mad cause they really ain't you

Oh, I got my own shit, don't want your money  
Nope, I drop a hundred bands like it's easy money  
These niggas is trying to shoot but you got the lay up  
Ain't none of them telling the truth, nope  
They fucking your day up

Oh, I done dodged so many ceremonies  
Coulda had fifty mil in alimony  
Give you everything, what you want from me?  
You know, everybody's got a testimony  
Like I used to fuck with your old homie  
You the only one I keep it hundred with, you know  
Paparazzi waiting at the party when I leave here  
Can't somebody tell me why these niggas gotta be here?  
I don't wanna be here, it don't get no easier  
We ain't supposed to drink in here, oh

I know you're gone on that liquor, ain't you?  
Getting throwed with me, baby ain't you?  
Only one I be giving game to  
These dudes mad cause they really ain't you  
I know you're gone on that liquor, ain't you?  
Baby I ain't tryna change you  
Got you gone and I feel the same too  
These dudes mad cause they really ain't you

Pour up, tell that waiter bring another drink  
Order honey Jack, we gon' drink it by the bottle  
Roll another one, I know you're fiending so I'm a get you higher than a pilot  
Gone off that liquor, I'm always so honest, don't mind what I say  
But tell all your bitches, I told all my niggas to stay in their place

Oh, I done dodged so many ceremonies  
Coulda had fifty mil in alimony  
Give you everything, what you want from me?  
You know, everybody's got a testimony  
Like I used to fuck with your old homie  
You the only one I keep it hundred with, you know  
Paparazzi waiting at the party when I leave here  
Can't somebody tell me why these niggas gotta be here?  
I don't wanna be here, it don't get no easier  
We ain't supposed to drink in here, oh

I know you're gone on that liquor, ain't you?

Getting throwed with me, baby ain't you?  
Only one I be giving game to  
These dudes mad cause they really ain't you  
I know you're gone off that liquor, ain't you?  
Baby I ain't tryna change you  
Got you gone and I feel the same too  
These dudes mad cause they really ain't you

Whatever you want from me baby  
You can get it when you call on me baby  
You know that I'm bout it, no limits  
Tell me your favorite positions  
I'll climb on top and I'll put it on you  
You can get it all  
Every time you leave I need more  
Might just have to bring you on tour, on tour  
Oh, I know that that liquor got you on one  
I'm a let you hit it like a home run, like a home run  
I know you're gone on that liquor, ain't you?  
These dudes mad cause they really ain't you  
These dues mad cause they really ain't you
