

All About Me

K. Michelle

Boy you just gotta know,
Sorry you gotta go now,
Got your things at the door ha
I ain't thinking about you, no more!
Ain't waiting on you
To do what you're supposed to,
You know you crossed the line
And sorry won't work this time!

Oh, oh, oh, oh,
It's all about me now,
It's all about me now!
Oh, oh, oh, oh,
It's all about me now,
I'm about to do me now!

I look to the left, I look to the right,
Everybody got sum to say,
Cause what I'm doing, you aint doing,
Worry about who I'm screwing
Better get up outta my face
All this drama is because of you,
I ain't tripping, I'm cool on you,
Now that I'm gone, you're home all alone,
You're looking like a fool!

Ain't worry about you, boy!
Ain't thinking about you, boy!
I'm about to live my life
We're hitting the club tonight.
Ain't thinking about you, boy!
Ain't worry about you, boy!
I'm about to live my life
You know what you did wasn't right!

So oh, oh, oh, oh,
It's all about me now,
It's all about me now!
Oh, oh, oh, oh,
It's all about me now,
I'm about to do me now!

I wish that I can get back all that time
I spend wasting on you!
And even your momma said
I didn't deserve all the shit you put me through.
But no more, cause I'm gone, moving on,
Gonna find somebody else that appreciates all this!
Maybe he can handle all this!

Ain't worry about you, boy!
Ain't thinking about you, boy!
I'm about to live my life
We're here in the club tonight.
Ain't thinking about you, boy!
Ain't worry about you, boy!
I'm about to live my life

You know what you did wasn't right!

So oh, oh, oh, oh,
It's all about me now,
It's all about me now!
Oh, oh, oh, oh,
It's all about me now,
I'm about to do me now!

Uhu, uhu, uhu,
All my ladies out there if you through
I'm doing me, let me see you!
Uhu, uhu, uhu,
I'm feeling real free, gonna party tonight,
Now you're done taking over my life!

So oh, oh, oh, oh,
It's all about me now,
It's all about me now!
Oh, oh, oh, oh,
It's all about me now,
I'm about to do me now!

Boy you just gotta know,
Sorry you gotta go now,
Got your things at the door ha
I ain't thinking about you, no more!
Ain't waiting on you
To do what you're supposed to,
You know you crossed the line
And sorry won't work this time!
