

Can't Go On

K. Michelle

Feel like can't go on...
Feel like can't go on...
Feel like can't go on...

I might be crazy for doing you the way that I do
doing everything in my soul to keep your son away from you
though I try to ignore the promises you made I realize it (feel
I can't go on)
I might be crazy for sleeping with my best friends boyfriend (i
n the nba)
was never nothing personal just trying to get my hustle on (can
you hear me say)
I remember when I used to love you but now you got my heart fil
led with hate (feel I can't go on)

I feel like I feel like I can't go on (and I said I)
I feel like I like I'm on my own (and I said I)
I feel like I feel like I ain't so strong (and I said I)
feel I can't go on

I might be foolish for living this life I live
when no one really showed me the way to go (can I blame this on
my home dear momma i)
I gotta tell the truth that all the wrong I do I can't blame it
on you
(but I feel I can't go on, no I can't go on)
am I crazy to question the way that I feel
waiting for the day to come when it's more than sex it's really
love (but I know)
that this could never be us, and baby that's messed up (and I f
eel like I can't go on)

I feel like I feel like I can't go on (and I said I)
I feel like I like I'm on my own (and I said I)
I feel like I feel like I ain't so strong (and I said I)
feel I can't go on

The truths been known to set you free and best believe that I'v
e been angry
and now to pour it out has taken all of me (and feel I can't go
on)

I feel like I feel like I can't go on (and I said I)
I feel like I like I'm on my own (and I said I)
I feel like I feel like I ain't so strong (and I said I)
feel I can't go on

I feel like I feel like I can't go on (and I said I)

I feel like I like I'm on my own (and I said I)
I feel like I feel like I ain't so strong (and I said I)
feel I can't go on
