

For My Birthday

K. Michelle

This is my party and I'm a do what I want to
My party, yeah
It's telling me this is my party and I'm a do what I want to
My party, yeah
It's telling me that you want to

It's my party, I can touch who I want to
Love who I want to,.. who I want to
Get drunk if you want to, blow sun up up up if you want to
Tell Bary if you want to
This is my song I'm a sing it if I want to
And get down if I want to
Tell the DJ turn this on when I want to

Big things puppets can't tell me anything
Cut me a cake, big piece of cake
For my birthday, hurray,
Buy me a drink, buy me a drink for my birthday
Cut me a cake, big piece of cake

It's my party I can leave when I want to
Stay if I want to
Play how I want to
Skip lines if I want to
Stand behind the veil, get rope if I want to
Doing big as I want to
Six inch heels only... if I want to
I can look how I want to
Me and my booty... what we want to

Big things puppets can't tell me anything
Cut me a cake, big piece of cake
For my birthday, hurray,
Buy me a drink, buy me a drink for my birthday
Cut me a cake, big piece of cake, for my birthday

You know what I'm thinking off
I'm sleeping off, I'm drinking on
Pour me another one
For my birthday
I got my... sexy one
Going up positional
Cut me a cake, big piece of cake, for my birthday
For my birthday, for my birthday
Buy me a drink, buy me a drink for my birthday
Cut me a cake, big piece of cake, for my birthday
For my birthday, for my birthday
Cut me a cake, big piece of cake, for my birthday
