

# How Many Times

K. Michelle

If you were hurt like I was before  
Ladies, go turn up your radio  
'Cause I'ma sing this one for all, yeah

See they complain about our attitude  
Talk about the things we do  
For me, it seems so obvious  
(And I can make you comin', keep comin' back)

You're always so up and criticize  
I got my flaws and yes I realize  
I've become so hard to deal with  
Because this cord around my heart is so tight

How many times? How many times? How many times?  
I caught you on the phone with her?  
How many times? How many times? How many times?  
Did I take you back and you broke my heart?

Oh, this song know how I feel  
You betrayed my love  
And the moral of the story is  
How many times? How many times?

Our sister, our sister Mary  
She used to tell us about this in the 90's  
I used to say that I'll never be, no, never never me  
But it is 2011 and I feel I can't get any lower

Takin' out my anger  
On any and everybody that comes around  
I've become so hard to deal with  
Because this cord around my heart is so tight

How many times? How many times? How many times?  
I caught you on the phone with her?  
How many times? How many times? How many times?  
Did I take you back and you broke my heart?

Oh, this song know how I feel  
You betrayed my love  
And the moral of the story is  
How many times? How many times?  
How

How many times must I cryin'?  
(Oh, I'm so tired of cryin')  
And how many times should my son see my tears  
Wishin' away  
How many of y'all going through the same thing?

I've become so hard to deal with  
Because this cord around my heart is so tight  
I'm so tired

How many times? How many times? How many times?  
I caught you on the phone with her?

How many times? How many times? How many times?  
Did I take you back and you broke my heart?

Oh, this song know how I feel  
You betrayed my love  
And the moral of the story is  
How many times? How many times?

How many times do I gotta get hurt  
To know it never ain't gon' get no better?  
How many times, ladies, have you been hurt  
And you know in your hear it won't get no better?

You, you  
This one's for you  
You, you  
This one's for you
