

# I Know You Won't

K. Michelle

I know you don't mean to be mean to me  
'Cause when you want to you can make me feel like we'd belong,  
oh, we belong.  
Lately I feel like all I am is a backup plan,  
I say I'm leaving and you smile at me and I forget every word I  
said.

I'm buy into those eyes, and into those lies  
You say you'll call, but I know you  
You say you're coming home, but I know you.  
You say you'll leave her alone, but I know you.  
You say you'll change, but I know you won't.

I wish you were here with me, like you're supposed to be  
But here I am, just starrng at this candle burning bright  
And still no sound, footsteps on my stairs, your voice and I'd  
be with.

You say you'll call, but I know you  
You say you're coming home, but I know you.  
You say you'll leave her alone, but I know you.  
You say you'll change, but I know you won't.

You say you'll change, but I know you  
You say you're coming home, but I know you.  
Just leave her alone, but I know you  
You say you'll change, but I know you won't.
