

If It Ain't Love

K. Michelle

I'm right, you're wrong
All night we fight about it, no way around it
Hands up, give up, we don't
Let's stop the shouting
Let's kiss about it

Can't explain what it is
I don't want to admit it
That maybe I'm addicted to you

It's crazy, amazing
All wrapped in one
If it ain't love, I don't know what is
It's perfect, worth it
We'd turn and run
If it ain't love, I don't know what is
Makes us insane, no ones to blame
That's how I know you're the one
It's crazy, amazing
We fucked it up
If it ain't love, I don't know what is

I'm here, you're there
You say I'm complicated
But you can take it
One glance, I can't stop my heart
When it races
I wouldn't change it

Can't explain what it is
I don't want to admit it
That maybe I'm addicted to you

It's crazy, amazing
All wrapped in one
If it ain't love, I don't know what is
It's perfect, worth it
We'd turn and run
If it ain't love, I don't know what is
Makes us insane, no ones to blame
That's how I know you're the one
It's crazy, amazing
We fucked it up
If it ain't love, I don't know what is

It's gotta be a good reason
Why I come right back to you
I don't want no one to take your place
Cause baby this love
This love

It's crazy, amazing
All wrapped in one
If it ain't love, I don't know what is
It's perfect, worth it
We'd turn and run
If it ain't love, I don't know what is

Makes us insane, no ones to blame
That's how I know you're the one
It's crazy, amazing
We fucked it up
If it ain't love, I don't know what is
