

Wavin' Flag

K'naan

Give me freedom, give me fire, give me reason, take me higher
See the champions, take the field now, you define us, make us feel proud

In the streets our heads are lifting, as we lose our inhibition,
Celebration, it's around us, every nations, all around us

Singing forever young, singing songs underneath that sun
Let's rejoice in the beautiful game, and together at the end of the day.
We all say,

When I get older
I will be stronger
They'll call me 'Freedom'
Just like a wavin' flag
And then it goes back, and then it goes back
And then it goes back, and then it goes...

Born to a throne, stronger than Rome
But violent-prone, poor people zone,

But it's my home, all I have known,
Where I got grown, streets we would roam

Out of the darkness, I came the farthest
Among the hardest survival
Learn from these streets, it can be bleak,
Accept no defeat, surrender retreat

So we strugglin'
Fightin' to eat
And we wonderin'
When we'll be free
So we patiently wait
For that fateful day
It's not far away,
But for now we say:

So many wars, settlin' scores,
Bringing us promises, leaving us poor,

I heard them say, love is the way
Love is the answer, that's what they say

But look how they treat us, make us believers
We fight their battles, then they deceive us

Try to control us, they couldn't hold us
'Cause we just move forward like Buffalo soldiers
