

# I Can't Explain

K-Otic

As the silence is growing  
Between us, it seems both you and I know  
The words unspoken  
The questions hanging in the air now  
I can't see how  
We're getting anywhere  
There's a line between love  
And something else  
We quietly crossed  
The feeling that we both have lost I'm  
Not sure we can  
Ever find again

Chorus:

I can't explain  
Why love lost it's glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes  
I may be on my way  
The future that we  
Once thought we had  
Turned into a past  
Fading fast and  
We tried but couldn't  
Make it last and  
Watched it vanish  
Now we're standing here  
I can't explain  
Why love lost it's glow  
And it slipped away  
How did it go  
I just can't say  
My heart leads the way  
When tomorrow comes  
I may be on my way

Bridge:

What's nothing  
What's something  
What's love to you  
What's life about  
Just being  
Or feeling  
Your soul
