

# I Still Miss You

K-Otic

When I'm far away from dreaming,  
And think about what I've done,  
Is this really me,  
Who I always wanted to be?  
'cause it's you that I'm losing,  
My everything to me,  
Life is so hard when it pulls you down.  
I had to make a choice in my life,  
It was the hardest thing to do.  
But I still believe in every word I said,  
But that doesn't mean that I don't miss you.

And I take each day as it comes my way.  
And I don't want to show my tears to the world,  
'cause I've been wrong by letting you down so hard,  
But try to understand me.

I had to make a choice in my life,  
It was the hardest thing to do.  
But I still believe in every word I said,  
But that doesn't mean,  
That I don't miss you,  
And the things that you do.  
I still miss you,  
But there's nothing I can do.  
I still miss you, every day, all the time.

When I am far away from dreaming,  
And think about what I've done,  
Is this really me,  
Who I always wanted to be?

I still miss you,  
And the things that you do.  
I still miss you,  
But there's nothing i can do.  
I still miss you, every day, all the time.

I still miss you every day,  
'cause I need you every day.  
Baby, leaving you was the hardest thing to do for me.
