20,000 Seconds

K's Choice

20,000 seconds since you've left and I'm still counting And 20,000 reasons to get up, get something done But I'm still waiting Is someone kind enough to Pick me up and give me food, assure me that the world is good But you should be here, you should be here

How colors can change and even the texture of the rain And what's that ugly little stain on the bathroom floor I'd rather not deal with that right now I'd rather be floating in space somewhere or Worry about the ozone layer

And it's almost like a corny movie scene But I'm out of frame and the lighting's bad And the music has no theme And we're all so strong when nothing's wrong And the world is at our feet But how small we are when our love is far away And all you need is you
