Believe

K's Choice

Bravely I look further than I see Knowing things I know I cannot be, not now I'm so aware of where I am, but I don't know where that is And there's something right in front of me and I

Touch the fingers of my hand And I wonder if it's me Holding on and on to Theories of prosperity Someone who can promise me I believe in me

Tomorrow I was nothing, yesterday I'll be Time has fooled me into thinking it's a part of me Nothing in this room but empty space No me, no world, no mind, no face

Touch the fingers of my hand and tell me if it's me Holding on and on to Love, what else is real A religion that appeals to me, oh I believe in me

Can you turn me off for just a second, please Turn me into something faceless, weightless, mindless, homeless

Vacuum state of peace

On and on I believe in me On and on and on and on and on and on and on I believe in me

Wait for me, I'm nothing on my own I'm willing to go on, but not alone, not now I'm so aware of everything, but nothing seems for real and As long as you're in front of me then I'll

I watch the fingers of our hands And I'm grateful that it's me Holding on and on I believe in me

I'm willing to go on but not alone, not now I'm so aware of everything
