

How Simple It Can Be

K's Choice

How simple it can be
I love you and you love me
There's nothing in our way

How simple it can be
The sunlight on a tree
There's nothing more to say

Here by the water front (I'm holding you)
There's nothing more to want (nothing more to want)
But you

How simple it can be
The rythem of the sea
The silence in our head
How simple it can be
I am scared and you hold me
And everything's been said

And it's the biggest fear of all (to lose it all)
I lose you, I lose it all (I lose you, I fall)
Oooo

(Ooo, Ooo)
Oooo (love, love, love)
Oooo (love, love, love)
Oooo (love, love, love)
Oooo, love, love, love
