

## Me Happy

K's Choice

That's a stupid hat you're wearing  
It doesn't really match your hair  
Did I ever tell you that your breath is worse  
Than what you wear

That's exactly what she told him  
At least that's what he told me  
So I guess we could conclude  
They're not a happy family

Love's not what you see between the legs of the majority

That's a lovely dress you're wearing  
Too bad your figure can't make it work  
When I hear the things you say  
I wonder if your brain can work

That's exactly what he told her  
At least that's what she told me  
I scream my calls, I lock my doors  
I'm suddenly filled with apathy

Love's not what you see between the legs of the majority  
Although, I'd like to add the game in bed is a necessity  
To make me happy  
Make me happy  
Love's not what you see between the legs of the majority  
Although, I'd like to add the game in bed is a necessity
