There's a chair in my head on which I used to sit Took a pencil and I wrote the following on it

Now there's a key where my wonderful mouth used to be Dig it up, throw it at me Dig it up, throw it at me

Where can I run to, where can I hide Who will I turn to now I'm in a virgin state of mind

Got a knife to disengage the voids that I can't bear To cut out words I've got written on my chair

Like do you think I'm sexy Do you think I really care

Can I burn the mazes I grow Can I, I don't think so

Can I burn the mazes I grow Can I, I don't think so

Where can I run to, where can I hide
Who will I turn to now I'm in a virgin state of mind
Virgin state of mind
Virgin state of mind
Virgin state of mind
