

## Walk Away

K's Choice

I will walk away from you  
(Don't stop me)  
I will walk away from you  
(Don't blame me)

I have felt the ugly midget kicking on my knee  
I have seen the ugly midget walking over me

I will tell you what I've learned  
We're through as far as I'm concerned  
Break up and just before we do  
I will walk away from you

I will walk away from you  
(Stop me)  
I will walk away from you  
(Blame me)

I have had enough of you  
Tell me you hate me too  
Or embrace me and forget  
What I have said to you

I will tell you what I've learned  
We're one as far as I'm concerned  
Make up and just before we do  
I will be walking back to you

Walking back to you  
Walking back to you  
Walking back to you  
Walking back to you
