

# Heart Beat

K-Young

I wanna see u dance  
I wanna see u sweat

I pull up at the door and my Bentley is pink  
Brought my assistant with me just to go buy me my drinks  
Rose crystal and don perignon  
What did u think  
I got my own pretty cars and all that you better fall back

Don't touch me  
I will go crazy  
No no no no no no no  
Don't touch me  
I don't need u to enjoy myself, enjoy myself  
To the music  
I'm gonna loose it

The music is my heart beat  
I transform  
I dance form  
I'm just here to entertain ya  
Can you feel my heart beat  
Can you hear my heart beat  
Listen to my heart beat  
The music is my heart beat

Let's just do it  
Intoxicate you  
Penetrate like it's human nature  
Oh it's human nature  
Oh I'm doin you a favour  
That's right the music's the remedy  
Don't front I know that ya feelin me  
Don't front I know that ya feelin me

I wanna see u dance  
I wanna see u sweat

Mmmmm  
Dar da dar dar da dar dat dardit dardit  
Dar da dar dar da dar dat dardit dardit  
Ohhh Mmmmm  
Dar da dar dar da dar dat dardit dardit dardit da dardit da dar

Oh baby  
The strobe lights, the streamin  
Takin me to the sky  
My adrenaline is rushin  
I'm on a natural high  
I can feel my veins pumpin  
From that kick drum thumpin  
The musics sayin somethin'

Don't touch me  
I will go crazy  
No no no no no no no  
Don't touch me

I don't need u to enjoy myself, enjoy myself  
To the music  
I'm gonna loose it

The music is my heart beat  
I transform  
I dance form  
I'm just here to entertain ya  
Can you feel my heart beat  
Can you hear my heart beat  
Listen to my heart beat  
The music is my heart beat

Let's just do it  
Intoxicate you  
Penetrate like it's human nature  
Oh it's human nature  
Oh I'm doin you a favour  
That's right the music's the remedy  
Don't front I know that ya feelin me  
Don't front I know that ya feelin me

I wanna see u dance
