

# I Wanna Be Your Man

K-Young

i wish i could take back the things i said  
we both said some things that we regret  
i never meant to hurt your heart  
i cant believe we fell apart  
i know i know  
that your the one for me  
i know you are  
yeah your the one for me  
i know i know  
that your the one for me  
oh no don't go  
yeah your the one for me

i could spend my life  
searching all the world  
i would never find someone  
like you girl  
so please understand  
that i wanna be your man  
im sorry

i saw you just the other day  
with your new man that took my place  
a tear started rolling down my face  
but i just turned and walked away  
i know i know  
that your the one for me  
i know you are  
yeah your the one for me  
i know i know  
that your the one for me  
oh no don't go  
yeah your the one for me

i could spend my life  
searching all the world  
i would never find someone  
like you girl  
so please understand  
that i wanna be your man  
im sorry

i believe everything has its season  
happens for a reason  
you live and you learn oh  
what do i have to do to get you back girl  
cause girl its a fact  
your love will be earned

i could spend my life  
searching all the world  
i would never find someone  
like you girl  
so please understand  
that i wanna be your man  
im sorry

i could spend my life  
searching all the world  
i would never find someone  
like you girl  
so please understand  
that i wanna be your man  
im sorry

im so sorry girl
