

Lay You Down

K-Young

verse 1

i know exactly what you got in those jeans and i know what it feels like so dont you be mean dont be stranger gurl it's only me o. tonight let's spend some time dont wanna be lonely baby kick your shoes finna relax we aint in a rush so just kick back gettin your attention for what im needin o. it's not because i just said so i've gone my part so just let me know what your needin

chorus

let me lay you down tell me how does it sound to ya when you turn around and you know i am proud of ya wanna freak you girl i need you let me lay you down i wanna lay you down

verse 2

dont worry baby gurl no i wont leave just lay your head down you can be at ease no i wont pressure but i will plead for it i had a taste or two but i need more of it baby kick your shoes finna relax we aint in a rush so just kick back gettin your attention for what im needin done hold your feelins just let go it's not because i just said so i've gone my part so let me know what your needin

chorus

let me lay you down tell me how does it sound to ya when you turn around girl you know i am proud of ya wanna freak you o i need you let me lay you down wanna lay you down

bridge

wanna fill you put your heart in my hands yes i do yes it is true oh me and you im a man i cant stand not havin you when i know what you got and i choose you so baby come thru

chorus x2

let me lay you down tell me how does it sound to ya when you turn around gurl you know i am proud of ya wanna freak you gurl i need you wanna lay you down wanna lay you down
