I got a lot on a my mind  
I got to get where I'm supposed to be  
I think I'm running out of time  
My baby girls waiting for me (She said)  
Don't you worry about a thing tonight  
I'm a ease your pain tonight  
Once she gets her hands on me  
I know I'll be feeling alright  
So I am on my way

Girl what you've got  
What I want  
And I can't wait  
So I'm on my way  
(I am on my way)  
Girl you've got  
What I need  
And I've seen your face  
You know what's up  
Baby, I am on my way

Your my new only super freak

How to please me

Soon as I hit the door  
My girl's already in the mood, (yeah)  
She doesn't have to say a word  
She just stands there in the nude,  
(come get this)  
She said, baby I'm a hurt you Tonight  
Just relax let me work you tonight  
The way she put her thing on me  
I was so ready to take flight  
And I wasn't ready

Girl what You have got
