K-Young

I think somebody's tryina kill me  
Maybe it's paranoia from the drugs I took last night  
Private calls on my phone, my ex won't leave me alone  
And it's getting dangerous, so dangerous

I just got a tape - a video of me and my new girl having sex  
Somebody was watching through my bedroom window last night

What am I supposed to do? I can't prove it but I know it's you  
She's crazy

I think somebody's tryina kill me  
Karma reappeared, a devil wear a penny, that stiletto  
And I can't help that it's true, I'm overwhelmed by it too  
You're making me crazy

Even though I think you're fly  
My love, I don't wanna die  
Somebody was watching through my bedroom window last night  
And it's hopeless to be, hopelessly in love, love yea

I think this bitch is tryina kill me  
Looked in my rearview, she following me on the freeway  
And my car starts slowin down  
My tiers - the chick done slit em

Now I'm headed for a full on collision  
And my life flash before my eyes

Mama always told me: be careful what you do  
Doing be going around breaking young girls hearts

What am I supposed to do? I can't prove it but I know it's you  
She's crazy
