

# Blowin' Smoke

Kacey Musgraves

Between the lunch and dinner rush  
Kelly caught that outbound bus for Vegas  
We're all out here talking trash, making bets  
Lips wrapped round our cigarettes  
She always thought she was too good to be a waitress

Well, we all say that we'll quit someday  
When our ship comes in  
We'll just sail away

But we're just blowin' smoke  
Hey yeah  
We're just blowin' smoke  
Hey yeah  
Out here goin' broke  
Hey yeah  
We're just blowin' smoke

Well Janie got divorced again  
Her ex-husband's in the pen  
From two to five, five to ten and longer  
Brenda's traded smokes for cake  
Still hadn't lost that baby weight  
And that baby's about to graduate  
From college

I'm just flicking ash  
Into the tray  
Tell them both it'll be okay

But I'm just blowin' smoke  
Hey yeah  
I'm just blowin' smoke  
Hey yeah  
I'm out here goin' broke  
Hey yeah  
Yeah we're just blowin' smoke

We all say that we'll  
Quit someday  
When our nerves ain't shot  
And our hands don't shake, yeah  
We all say that we'll  
Quit someday  
When our nerves ain't shot  
And our hands don't shake

Wipe down the bar, take out the trash  
Light one up and count my cash  
Swear I'm never coming back again

I'm just blowin' smoke  
Hey yeah  
I'm just blowin' smoke  
Hey yeah  
Out here going broke  
Hey yeah

Yeah we're just blowin' smoke
