## **Blowin' Smoke**

**Kacey Musgraves** 

Between the lunch and dinner rush Kelly caught that outbound bus for Vegas We're all out here talking trash, making bets Lips wrapped round our cigarettes She always thought she was too good to be a waitress

Well, we all say that we'll quit someday When our ship comes in We'll just sail away

But we're just blowin' smoke Hey yeah We're just blowin' smoke Hey yeah Out here goin' broke Hey yeah We're just blowin' smoke

Well Janie got divorced again Her ex-husband's in the pen From two to five, five to ten and longer Brenda's traded smokes for cake Still hadn't lost that baby weight And that baby's about to graduate From college

I'm just flicking ash Into the tray Tell them both it'll be okay

But I'm just blowin' smoke Hey yeah I'm just blowin' smoke Hey yeah I'm out here goin' broke Hey yeah Yeah we're just blowin' smoke

We all say that we'll Quit someday When our nerves ain't shot And our hands don't shake, yeah We all say that we'll Quit someday When our nerves ain't shot And our hands don't shake

Wipe down the bar, take out the trash Light one up and count my cash Swear I'm never coming back again

I'm just blowin' smoke Hey yeah I'm just blowin' smoke Hey yeah Out here going broke Hey yeah Yeah we're just blowin' smoke
