

# I Think I Love You

Kaci Brown

Do u think u love me? ohhheee  
Do u think u love me? ohhhhh  
Do u think u love me? ohhheee  
Do u think u love me?

I think i love you!

I'm sleepin at night in the middle of a deep dream  
And all at once i wake up  
There's something that keeps knocking at my brain  
Before i go insane i hold my pillow to my head  
I scream up in my bed  
Screamin out the words i dread  
I think i love you  
Ohh  
This mornin i woke up  
With this feelin i don't know how to deal with  
So i just decided to myself  
Id hide it to myself  
And never talk about it  
And did not go and shout it when u walk in to the room

I think i love you

I think i love you so what am i so afraid of  
I'm afraid that i'm not sure of  
A love there is no cure for  
I think i love you  
Isn't that what life is made of  
So it worries me to say  
That i never felt this way

Believe me you really don't have to worry  
I only wanna make u happy  
And if u say go away i will  
But i think better still i better stay around and love u  
Do u think i have a case  
Let me ask you to your face  
Do u think u love me

I think i love you so what am i so afraid of  
I'm afraid that i'm not sure of  
A love there is no cure for  
I think i love you  
Isn't that what life is made of  
So it worries me to say  
That i never felt this way  
Do u think u love me?  
Do u think u love me?  
Do u think u love me?  
Do u think u love me?

Don't know what i'm up against oh no  
Don't know what it\'s all about oh no  
I got so much to think about... (think about it)
