

# The Waltz

Kaci Brown

The touch - The rush...oh  
You turn around and make me wanna make you think I'm in to you  
An easy catch - the perfect guy with perfect lines - it's nothing new  
I guess I'll let you have a little taste cause I have nothing here to lose  
And if nothing's better than this then I guess that's better than nothing  
What cha think I'll do?

The more you play hard to get  
The more I think I could get in to you  
The way you dance and walk away  
I can't believe you're getting me confused!

You make me feel so...  
You make - you make - you make  
You make me feel so...  
Let's go - you know - take it slow - uh uh

You say don't worry baby I've got it all under control, and I'm like...  
Yeah right Casanova I'm gonna waltz right over you  
You play your petty games and I have to admit it's sorta kinda cute  
But it won't be enough to make me fall in love with a shallow guy like you

You're so naive if you believe  
I'd fall under your spell just cause you snap  
What's wrong with me could ya tell me please  
How did you ever manage to do that?

The touch - The rush...oh

DUM DUM - DUM DUM DUM  
DUM DUM - DUM DUM DUM  
DUM DUM - DUM DUM DUM  
IT'S LIKE  
DUM DUM - DUM DUM DUM
