

Beyond Oblivion

KadavriK

Graves without a name
Just a lie of fame
White crosses all I see
anonymous eternity
memories remain

Beyond Oblivion
Beyond Oblivion
Fallen heroes in decay
Beyond Oblivion
Fires scorching birds of prey
Beyond Oblivion

Graves without a name
Just a lie of fame
White crosses all I see
anonymous eternity
memories remain

Beyond Oblivion
Beyond Oblivion
Fallen heroes in decay
Beyond Oblivion
Fires scorching birds of prey
Beyond Oblivion

Graves without a name
Just a lie of fame
White crosses all I see
anonymous eternity
memories remain

Abused as weapons made of flesh
They rot beyond oblivion
Abused as worthless warmachines
They rot beyond oblivion
Fallen heroes in decay
Beyond Oblivion
Fires scorching birds of prey
Beyond Oblivion

Weapons made of flesh
