

## My Last Prayer

KadavriK

Eternal nights  
Eternal dreams  
Like cruel rites  
There's nothing, nothing as it seems

Just one last pray  
But no one to obey  
Ask me if its worth it

Drifting away  
To a world that seems grey  
Someday, someday it will die

Eternal nights  
Eternal dreams  
Like cruel rites  
There's nothing, nothing as it seems

Just one last pray  
But no one to obey  
Ask me if its worth it

Drifting away  
To a world that seems grey  
Someday, someday it will die

This existence  
Not worth living  
Cruel rites  
Made me fall  
... So deep
