

# Tribute To Amon Amarth

KadavriK

The wait is soon at end  
Always charge never bend  
Morning is here, make your stand  
Live for honor, glory, death in fire!

Total war is here  
Face it without fear  
Age of sword, age of spear  
Fight for honor, glory, death in fire!

See the fire rise  
Flames are raging high  
Soon all will burn and die  
Burn for honor, glory, death in fire!

Storm of lethal flames  
Only death remains  
Ragnarok is closing in  
Die for honor, glory, death in fire!

Forces of chaos is on the move  
Everyone, choose your side  
And know the end is coming soon  
The day for all to die

The day is here when Bifrost breaks  
Nor sun or moon will rise  
When the dead rise from their graves  
and Surtur spreads his fire

All you know will wither away  
And sink into the sea  
A new world will be born one day  
Where everyone is free

The warming sun returns again  
And melts away the snow  
The sea is freed from icy chains  
Winter is letting go

Standing on the ocean side  
We can hear the waves  
Calling us out with tide  
To sail into our fate

Oden! Guide our ships  
Our axes, spears and swords  
Guide us through storms that whip  
And in brutal war

Our ships await us by the shore  
Time has come to leave  
Our country, family and homes  
For riches in the east

Some of us won't return  
But that won't bring us down

Our fate is written in the web  
Woven by the Norns
