

All I'll Ever Ask

Joshua Kadison

Love means so many different things,
but you're all that matters,
and this is all I'll ever ask of you.

Tell me your dreams, so they could be mine too,
let me be there, to help them come true.
Tell me your fears, when you fell afraid,
come to my arms, let me rock them away.

That's all I'll ever ask.
That's all I'll ever ask.
That's all I'll ever ask.
Of you...

Come to my shoulder, when you need to weep,
wake me up, when you cannot sleep.
Talk to me, when you want to be heard,
be silent with me, when you can't say a word.

That's all I'll ever ask.
That's all I'll ever ask.
That's all I'll ever ask.
Of you...

I can't swear that you never, have to cry another tear.
But whenever you want, someone to hold you, I'm always right here.

So just, come to me, for anything at all,
call my name, it is yours to call.
Fell my faith in you, when you can't find your own,
and always remember, you're never alone.

That's all I'll ever ask.
That's all I'll ever ask.
That's all I'll ever ask.
Of you...

I can't swear that you never, have to cry another tear.
But whenever you want, someone to hold you, remember, I'm always right here.

That's all I'll ever ask.
That's all I'll ever ask.
That's all I'll ever ask.
Of you...
