Kai

Being with you makes me believe  
The sun will always shine  
And I'm glad that I'm with you girl,  
And that you're always mine

I close my eyes and I know  
My trust is on your side  
Cuz being with you makes me believe  
You're one of a kind

Beauty like yours is hard to find  
Girl its so impossible  
It's your eyes and your smile  
That is so incredible  
I believe you are so precious to this earth  
You are the one, so beautiful  
My Asian Girl

You're always in my dreams and mind  
All the time, yes you are

Being with you I see and believe  
Your mind's open to the world  
It's your personality that's real  
I'm glad you're my girl

I open my eyes, I'm happy to see  
You're here right here by my side  
Cuz being with you, I know and believe  
I'm in paradise

You make the stars smile at the world  
Cuz you're always happy  
And you are worth more than diamonds and pearls  
And you're sweet and candy

I believe you are so precious to this earth  
You are the one, so beautiful  
My Asian Girl

Beauty like yours is hard to find  
Girl, it's so impossible  
It's your eyes and your smile  
That is so incredible  
I believe you are so precious to this earth  
You are the one, so beautiful  
My Asian Girl

I said you are the one, so beautiful  
My Asian Girl  
You're my... you're my... Asian Girl
