

Don't Say Goodbye

Kai

How can I go on,
When I know I gave it all,
Have I given too much.
Something is inside your heart,
Is pushing me aside,
And it seems so un-you baby,
But it's so hard on me.
What is it I see in your eyes,
Story that really says goodbye.

Tell me baby, where did we go wrong,
How did we lose a love so strong,
What can I say to make things right,
Baby hold on, don't leave tonight,
There's no reason why,
A part of us should die,
Don't say goodbye.

Searching for answers.
But they're all so hard to find.
'cause I'm still loving you baby,
Are you still loving me?
Baby, don't turn and close the door,
Is it you don't love me anymore.

Tell me baby, where did we go wrong,
How did we lose a love so strong,
What can I say to make things right,
Baby hold on, don't leave tonight,
There's no reason why,
A part of us should die,
Don't say goodbye.
