

Everyday I Love You Less And Less

Kaiser Chiefs

Everyday I love you less and less
It's clear to see that you've become obsessed
I've got to get this message to the press
That everyday I love you less and less

And everyday I love you less and less
I've got to get this feeling off my chest
The doctor says all I need's pills and rest
Since everyday I love you less and less and less and less

I know, I feel it in my bones
I'm sick, I'm tired of staying in control
Oh yes, I feel, my hands upon a wheel,
I've got, to know that not too much is real
Oh yes, I'm stressed, I'm sorry I digressed
Impressed, you dressed to SOS

R: And ooh ooh and my parents love me
ooh ooh and my girlfriend loves me
Ooooooh

Everyday I love you less and less
I can't believe once you and me did sex
It makes me sick to think of you undressed
Since everyday I love you less and less

And everyday I love you less and less
You're turning into something I detest
And everybody says that you're a mess
Since everyday I love you less and less and less and less

I know, I feel it in my bones
I'm sick, I'm tired of staying in control
Oh yes, I feel, direct upon a wheel
I've got, to know that not too much is real
Oh yes, I'm stressed, I'm sorry I digressed
Impressed, you dressed to SOS

R: And ooooooh and my parents love me
ooh ooh and my girlfriend loves me
ooh ooh they keep photos of me
ooh ooh that's enough love for me
Ooooooh
