

From The Neck Down

Kaiser Chiefs

You're beautiful
In every way
From the neck down
From the neck down
A kinda face
That could sink ships
Not in a good way
But in a bad way

You love her but you don't want to show her to your friends
You love her but you don't want to show her to your friends

You love her but you don't want to show her to your friends

I got a first car
A convertible
We keep the top up
Let's keep the top up

You love her but you don't want to show her to your friends
You love her but you don't want to show her to your friends
