

# Happen in a Heartbeat

Kaiser Chiefs

'Cause it can happen in a heartbeat, happen in a heartbeat.  
'Cause it can happen in a heartbeat, happen in a heartbeat.  
Can happen in a heartbeat, happen in a heartbeat, in the night alone.

I wouldn't make it on my own,  
I wouldn't change it for the world.  
I wouldn't pray here, and I know,  
I wouldn't make it, make it on my own.

I wanna be made of glass,  
You want to go and shatter up heart,  
I wanna be made of stone,  
I wanna drive my cardboard Cadillac.

Happen in a heartbeat, happen in a heartbeat.  
Battle on my own.  
'Cause it could happen in a heartbeat, happen in a heartbeat,  
In the night alone, alone.

Happen in a heartbeat, happen in a heartbeat.  
Battle on my own.  
'Cause it could happen in a heartbeat, happen in a heartbeat,  
In the night alone, alone.

I wouldn't make it on my own,  
I couldn't fight them off alone.  
I couldn't take it and I know,  
I wouldn't make it, make it on my own.

I wanna be made of glass  
You wanna go shatter up my heart.  
I wanna be made of stone  
I wanna drive my cardboard Cadillac  
Happen in a heartbeat, happen in a heartbeat.  
Battle on my own.  
Cause it could happen in a heartbeat, happen in a heartbeat,  
In the night alone, alone.

Happen in a heartbeat, happen in a heartbeat.  
Battle on my own.  
Cause it could happen in a heartbeat, happen in a heartbeat,  
In the night alone, alone.

Walking the line, all the time.  
It set me up for life.  
Follow the line, brought it to life,  
You know it set me up for life.

Walking the line, all the time.  
It set me up for life.  
Follow the line, brought it to life,  
You know it set me up for life.

Walking the line,  
Walking the line,  
Walking the line.
