

## Little Shocks

Kaiser Chiefs

I don't want much, I'm happy with what I've got,  
On the second floor, I pass a ruffian on the stairs,  
What the driver saw, through the letter box of number four,  
I don't have much, It will be deafening when I do

And all these little shocks, I'll be riding my imaginary dynamo  
,  
I wish I could give you undivided attention every minute of the  
day but I can't,  
I wish I could give you undivided attention every minute of the  
day but I can't

Bless my heart, and everything will be explained,  
In the diaries, especially the latter part.  
I'll be a somebody, I found an empty glass today at home,  
Give me ability, turn up the pedal away from his hand

And all these little shocks, I'll be riding my imaginary dynamo  
,  
I wish I could give you undivided attention every minute of the  
day but I can't,  
I wish I could give you undivided attention every minute of the  
day but I can't,  
I wish I could have you just a little bit more just a little bit  
more of your time,  
I wish I could give you undivided attention every minute of the  
day but I can't

I wish I could give you undivided attention every minute of the  
day but I can't [5x]

And all these little shocks I'll be riding my imaginary dynamo,  
I wish I could give you undivided attention every minute of the  
day but I can't,  
I wish I could give you undivided attention every minute of the  
day but I can't,  
I wish I could have just a little bit more, just a little bit  
more of your time,  
I wish I could give you undivided attention every minute of the  
day but I can't
