

What Did I Ever Give You?

Kaiser Chiefs

Head down, keep your head down
Keep the rent down all the time
Hold tight, to your red stripe
Why do we fight everytime?

[Bridge:]

I wish that you could see me in the day
I hope that you'll remember me that way

Night club, Marlborough Light stub
Stuck to my gob, all the time
I treat you like the see-through
I don't mean to everytime

I wish that you could see me in the day
I hope that you'll remember me that way

[Chorus:]

What did I ever give you?
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you?
When you wanted me to
All I gave you was grief
Are you sick to your teeth?

Disgraced, back to my place
I'm a complete waste of your time
I'm asleep before the first sheep
Until the last bleep of all time

[Bridge]

I wish that you could see me in the day
I hope that you'll remember me that way

What did I ever give you
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you
When you wanted me to
All I gave you was grief
Are you sick to your teeth

What did I ever give you?
When you wanted me to
All I gave you was pain
And a look of disdain
What did I ever give you?
When you wanted me to
All I gave you was grief
Are you sick to your teeth?

What did I ever...
