

## Ooh To Be Ah

Kajagoogoo

Pick and choose, the things you wear  
Feel free to look around, with no obligation  
Times have changed, so break new ground  
Feel free and take your time take a little  
Extra time, more time with no obligations

Clothes, in Vogue are all the rage  
But don't expect too much, they can't perform miracles  
Head to toe disguised again, it's heavy when they say  
We don't perform miracles, no we don't perform miracles

Ooh, to be ah jet setter  
Be ah head start  
Ooh, to be ah, ooh, to be ah  
Look at me, ooh, in something new  
Ooh, to be ah

Cool glossy mags, reveal the facts  
With a little bit of goo, it's usually in the who's who  
Place your bets, predict the favourite party of the day  
You'll find it in the who's who, who's there  
You'll find them in the who's who

Ooh, to be ah jet setter  
Be ah head start  
Ooh, to be ah, ooh, to be ah  
Look at me, ooh, in something new  
Ooh, to be ah
