

# Awake In A Dream

Kalan Porter

Still you were always with me  
When I lay my head down at night  
Could you really be here with me?  
Has my wish come true tonight?

Cuz now, now it seems  
I'm wide awake in this dream  
And I'll do, I'll do anything  
To stay here forever  
And if this is a dream  
I'm not going to wake up  
But if I'm awake I won't close my eyes again

Though I feel like I'm flying  
I'm sure my feet are still on the ground  
Open my eyes, and it's amazing  
How my world has changed when I look around  
And it's like I found a road straight to heaven  
The road has lead me right here to you

Cuz now, now it seems  
I'm wide awake in this dream  
And I'll do, I'll do anything  
To stay here forever  
And if this is a dream  
I'm not going to wake up  
But if I'm awake I won't close my eyes again

Everything I'll ever need,  
Is standing right here in front of me  
You've given more than ill ever ask for  
Now all I can do  
Is give forever to you?

Cuz now, now it seems  
I'm wide awake in this dream

Cuz now, now it seems  
I'm wide awake in this dream  
And I'll do, I'll do anything  
To stay here forever  
And if this is a dream  
I'm not going to wake up  
But if I'm awake I won't close my eyes again
