

Awake In A Dream

Kalan Porter

Still you were always with me
When I lay my head down at night
Could you really be here with me?
Has my wish come true tonight?

Cuz now, now it seems
I'm wide awake in this dream
And I'll do, I'll do anything
To stay here forever
And if this is a dream
I'm not going to wake up
But if I'm awake I won't close my eyes again

Though I feel like I'm flying
I'm sure my feet are still on the ground
Open my eyes, and it's amazing
How my world has changed when I look around
And it's like I found a road straight to heaven
The road has lead me right here to you

Cuz now, now it seems
I'm wide awake in this dream
And I'll do, I'll do anything
To stay here forever
And if this is a dream
I'm not going to wake up
But if I'm awake I won't close my eyes again

Everything I'll ever need,
Is standing right here in front of me
You've given more than ill ever ask for
Now all I can do
Is give forever to you?

Cuz now, now it seems
I'm wide awake in this dream

Cuz now, now it seems
I'm wide awake in this dream
And I'll do, I'll do anything
To stay here forever
And if this is a dream
I'm not going to wake up
But if I'm awake I won't close my eyes again
