

# Single

Kalan Porter

I'm the hit, I'm the hook  
That your looking for  
If your looking for the single one  
You can feel what I've got  
You can bet I'm everything  
You need, you need, you need  
You might not see it now  
But one day your gonna come around

I'm the hit, I'm the hook  
That your looking for  
I'm the one, I'm the love that you can't ignore  
I'm the single one, I'm the single one

If your getting tired of the same old line  
So am I, so am I  
We try so hard, but  
There all the same, the same, the same  
You might not see it now

You're gonna come around  
I'm the hit, I'm the hook  
That your looking for  
I'm the one, I'm the love that you can't ignore  
I'm the single one, I'm the single one

[Repeat 2X]
